**Jewish Holidays**

In Hebrew, Hanukkah means "dedication," and the holiday marks the rededication of the Temple in Jerusalem in the 2nd century BC. What does the 8 days of Hanukkah stand for? Although the Jewish people only had enough oil to keep the flame burning for a single day, miraculously, the flames lasted for eight nights. During this time, they were able to find other oil supplies, and were inspired to dedicate an eight-day festival in celebration of this holy miracle.
