

ADULT DAY SERVICES

SENIOR LIVING
by Youngstown Area Jewish Federation

Our program keeps your loved one active and engaged, while providing you with peace of mind. Program staff help participants function at their best emotionally, physically, and intellectually, whether they need supervision or simply need socialization and a structured setting. Participants interact with a diverse group in our facility that includes on-site nursing, is wheelchair-accessible, and is Veterans Administration approved.

SERVICES

Each individual's unique needs will be addressed through individualized care plans that include a variety of services in a supervised, structured environment.

- On-site physical, occupational, and speech therapies with referral
- On-site hair salon
- Monitoring of health status by on-site nurse
- Transportation
- Continental breakfast, snacks, and midday nutritious, kosher meal
- Medication reminders and administration

ACTIVITIES

A range of activities is offered to participants based on their individual needs and abilities. These activities include indoor and outdoor gardening, senior outings and day trips, mentally stimulating games and activities, exercise, bingo, arts and crafts, juke box hour, and indoor bowling.
